## R. K. PURAM, NEW DELHI

**Circular No. : RIS/2025/12/003**

**05 December 2025**

Dear Teachers,

The Ramjas Foundation proudly remembers and honours the remarkable legacy of **Late Shri Rai Kedar Nath Ji**, a visionary educationist and philanthropist whose pioneering efforts laid the foundation for the chain of Ramjas Schools over 112 years ago.

Born on **17th January 1859**, Late Shri Rai Kedar Nath Ji dedicated his life to the upliftment and welfare of the underprivileged. A distinguished educator and later a respected District Judge, he devoted his entire life to the growth and development of Ramjas Schools in memory of his father, **Late Shri Ramjas Mal Ji**. He breathed his last on **12th June 1942**, leaving behind a legacy that continues to inspire generations.

Today, more than **16,000 students** receive quality education under the guidance of over **700 dedicated teachers** across 18 institutions run by the Ramjas Foundation. The Foundation remains committed to the continuous development of academic standards, infrastructure, teacher training, and student welfare.

Every year, on **17th January**, on this day, teachers and students who have demonstrated exceptional dedication and performance are felicitated and Scholarships are awarded to deserving and meritorious students by the Foundation.

The '**Rai Kedar Nath Memorial Fund**' has been constituted to ensure the smooth and meaningful continuation of these activities. As per the 2005 guidelines, a designated percentage of the fund supports the welfare of students and teachers in both Ramjas Aided and Unaided Schools.

This year, on **17th January 2025**, the **166th Birth Anniversary** of Late Shri Rai Kedar Nath Ji will be observed with the same devotion and enthusiasm.

We humbly appeal to all the teachers to request parents to come forward and contribute generously to the **Rai Kedar Nath Memorial Fund** and support the Foundation's ongoing efforts toward educational excellence and social welfare.

Your cooperation and whole-hearted participation will further strengthen this noble cause.

Warm regards,

Best Wishes

Ms. Richa Sharma
