CIRCULAR

RIS/RKP/2026/10/12 **Date: 31-10-2026**

Subject: Implementation of SLFRC-Approved Fee Structure for Academic Session 2026–27 with Relief in Fee Arrears.

Dear Parents,

This is to inform you that the School Level Fee Regulation Committee (**SLFRC**) of our School, in its meeting held on **15 September 2026**, considered and unanimously approved the fee structure proposed by the School Management for the academic sessions **2026–27, 2027–28 and 2028–29**, in accordance with the applicable provisions of the *Delhi School Education (Transparency in Fixation and Regulation of Fees) Act, 2025* and the Rules framed thereunder. The SLFRC has approved the fee structure with effect from **1 April 2026.**

The SLFRC was duly constituted in accordance with the applicable provisions of the Act and Rules, with representation from the School Management, parents and teachers, and an **Observer nominated by the Directorate of Education, Government of NCT of Delhi.**

As communicated earlier vide School Circular No. **RIS/RKP/2026/4/002 dated 04 April 2026**, pending completion of the prescribed fee-fixation process and in compliance with the directions of the Hon'ble High Court of Delhi in *W.P. (C) No. 122/2026 and connected petitions*, the School continued to charge fees during the academic session 2026–27 as per the fee structure applicable for the previous academic session, **2025–26**.

Following approval of the revised fee structure by the SLFRC and keeping in view the financial circumstances and interests of parents, the School Management has taken a considerate decision to implement the increased fee **with effect from 1 October 2026** instead of implementing it w.e.f. 1 April 2026

Accordingly, the following arrangements shall apply for the academic session 2026–27:

1. **Relief to Parents:** As the School Management has decided to waive the fee increase for the period April 2026 to September 2026, equivalent to **50% of the annual increase in fee for the academic session 2026–27**. Accordingly, the revised fee shall be charged only for the period October 2026 to March 2027. No arrears will be charged for the period 1 April 2026 to 30 September 2026.
2. **Implementation of Revised Fee from October 2026:** Parents are required to pay the revised fee for the period October 2026 to March 2027. The revised fee and the corresponding changes in the fee payable have been updated on the **School's Fee Payment Portal/ERP**, and parents may kindly log in to view the revised fee details and make payments accordingly.

   Parents may kindly note that If the fee for any month has already been paid at the pre-revised rates, the differential amount payable as per the revised fee structure shall be reflected as arrears on the School's Fee Payment Portal/ERP

The School remains committed to maintaining and strengthening the quality of education, facilities and services provided to students while extending reasonable consideration to parents.

We sincerely thank you for your continued trust, cooperation and support.
