

# WINTERS HOLIDAY HOMEWORK

## TOPIC- ENVIRONMENT

### CLASS- III

2025-2026

**Instructions:** Please do the following tasks in a scrapbook.

#### **English**

Write an acrostic poem on any one of the following environment words on an A4 size sheet:

a) E A R T H

b) G R E E N

#### **Hindi**

1 हरा-भरा पर्यावरण का चित्र बनाइए

(पेड़, पक्षी, नदी, सूरज, बच्चे पौधा लगाते हुए)

2 चित्र पर आधारित 5 वाक्य लिखिए।

#### **Maths**

##### Environment – Story Sums

1. Children planted 28 trees in one area and 17 trees in another. How many trees were planted in all?
2. A family saved 15 buckets of water one day and 23 buckets the next day. How many buckets were saved altogether?
3. Students collected 36 plastic bottles in the morning and 19 later.  
How many bottles were collected in total?
4. A school recycled 50 kg of paper. 18 kg was used. How much paper is left?
5. 48 saplings were planted equally in 6 rows in a garden. How many saplings were planted in each row?

## **Social Science**

Draw a neat and colourful picture of the Aravalli Hills on an A4 sheet. Then, below your drawing, write 5–6 sentences on the topic:

Why should we save the Aravalli Hills?

## **Science**

Students will make three coloured bins (Green, Blue, and Red) and learn how to separate waste into wet, dry, and hazardous waste.

Kindly ensure the child completes the activity and learn few lines on the same during the winter holidays and brings it to school after the vacation.
